Respected Sir/Madam,

I, Vicky Lokare, had filed an online RTI application under Registration Number DRMOP/R/E/26/00164. As per the official transfer order under Section 6(3) of the RTI Act, 2005 issued via letter number PA.W.RTI/2026 dated 15-05-2026, my application was forwarded to the Dy. CE / Construction, Satara for direct disposal.

To ensure clarity and expedite the retrieval of records at the Satara desk, I am hereby submitting the precise, detailed breakdown of the information requested under the statutory provisions of the RTI Act, 2005:

1. Current Status of DPR: The Detailed Project Report (DPR) of the Hatkanangale-Ichalkaranji new railway line (8 Km) was submitted to the Railway Board on 02.01.2020. Please provide the exact current status of this DPR as on date (May 2026) - whether it is still under scrutiny, pending with PEC, approved, rejected, or returned to the Zonal Railway.
2. Project Evaluation Committee (PEC) Meetings: How many meetings has the Railway Board Project Evaluation Committee (PEC) conducted on this DPR till date? Please provide the dates of all PEC meetings, the main observations/recommendations made in each meeting, and the compliance status by the Zonal Railway.
3. Reasons for Delay: What are the specific technical, financial, or administrative reasons/bottlenecks due to which the scrutiny of this DPR has been pending for more than 6 years (since January 2020)? Please provide certified copies of all relevant file notings, internal correspondence, and Minutes of Meetings (MoMs) related to this DPR from 02.01.2020 till date.
4. Rate of Return (ROR): The original ROR was (-) 12.73%. Has any revised FIRR/EIRR or socio-economic cost-benefit analysis been carried out? Has the strategic importance of Ichalkaranji as a major textile hub (Manchester of Maharashtra) and its alignment with PM Gati Shakti been considered in the appraisal?
5. Revised Project Cost: The original estimated cost in 2020 was Rs 180.73 Crores. What is the latest revised cost estimate of the project? Please provide details of cost escalation due to the delay.
6. Time-Bound Action Plan: What is the target date fixed by the Railway Board for approval of this DPR? After approval, what is the tentative schedule for tendering and commencement of physical works?
7. Pink Book Status: In which year Pink Book was this project included? What is its current status and budget provision (if any) in the Pink Book for 2025-26 or 2026-27?

I request this information to be provided in electronic form to my registered email address. A copy of the initial transfer letter is attached herewith.

Thanking you.
